

TECHNISCHE DATEN:

Aufbau

Sechskantmutter Polyamid PA6 GF30

Innengewinde NPT

Eigenschaften

- zum sicheren Befestigen von Kabelverschraubungen und Zubehörteilen

Temperaturbereich -40 °C / +100 °C

TECHNICAL DATA:

Configuration

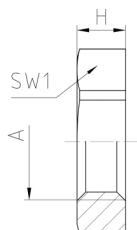

Hexagonal locknut Polyamide PA6 GF30

Internal thread NPT

Properties

- for secure tightening of cable glands and accessories

Temperature range -40 °C / +100 °C

Merkmale
