Cleaning Formula	Bottle (1 ltr) multi-surface Febreze Pet included	
Included in the Box	Handle, body, watertank, tools, formula bottle, tray, user guide	
Weight	5.2 kg	

Product Marketing Message	
Clean your hard floors of pet messes easier than you could have ever imagined. With a Multi-Surface Brush Roll rotating at 3,000 RPM and an innovative, Febreze Multi-Surface Pet cleaning solution, the BISSELL® CrossWave® Pet Pro cleans better than a sponge mop and bucket, in less time. It includes a Pet Hair Strainer for easy cleanup and specialized pet cleaning formula to remove pet odors. The CrossWave vacuums and washes your floors at the same time, the 2-tank system keeps clean and dirty water separate so you are always using clean water and formula mixture on your floors. The smart-touch controls on the handle allows to easily switch between cleaning hard floors and area rugs and control formula and water with an on-demand solution trigger.	

Consumer Benefits	
BISSELL CrossWave is a multi-functional 3-in-1 machine (vacuums, washes and dries hard floors and area rugs) which combines different steps and tools normally used to clean your home, in just one device	
Easy to use improved self-cleaning tray for quick and thorough cleaning of brushroll and nozzle after use	
Unique multi-surface brush roll that washes and helps drying your hardfloors, area rugs and carpets	
Easy to remove separate dirty and clean water tanks for easy filling and emptying ; with dirt strainer for easy and clean removal of debris, hair and pet hair	
Low profile foot with pivoting floor head for an easy maneuverability
