

WFR-32

**Internet Radio/AUX/Bluetooth/AirMusic App
Digital Wooden Radio**

Color

WALNUT

The wooden cabinet WFR-32 is an internet radio engineered for convenience and functions that can be placed anywhere in the house. It is well-designed to satisfy not only a decorative piece, the quality sound is also beyond satisfying. With up to 255 station presets from the tips of your finger, the WFR-32 also allows you to enjoy cloud music from Spotify / Amazon / Music / Deezer / Napster / Qobuz / TIDAL platforms.

Now you also get to wake up with the most updated weather condition right off the back without worrying about forgetting your umbrella!
